PROSPECTUS SUPPLEMENT NO. 4 (To Prospectus dated August 26, 2003)

This prospectus supplement supplements the prospectus dated August 26, 2003, as supplemented by prospectus supplement No. 1 dated September 9, 2003, prospectus supplement No. 2 dated September 26, 2003 and prospectus supplement No. 3 dated October 27, 2003, of Yahoo! Inc. relating to the resale from time to time by selling securityholders of our Zero Coupon Senior Convertible Notes due 2008 held by certain securityholders and the shares of our common stock issuable upon conversion of the Notes. This prospectus supplement should be read in conjunction with the prospectus, as supplemented, and this prospectus supplement is qualified by reference to the prospectus, as supplemented, except to the extent that the information provided by this prospectus supplement supersedes the information contained in the prospectus, as supplemented.

The SECURITIES offered in the prospectus involve a high degree of risk. You should carefully consider the "Risk Factors" referenced on page 5 of the prospectus in determining whether to purchase the Yahoo! Inc. Zero Coupon Senior Convertible Notes due 2008 or the Common Stock.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus supplement. Any representation to the contrary is a criminal offense.

The eighth paragraph of the section of the prospectus entitled "Plan of Distribution" on page 24 of the prospectus is amended and restated in its entirety to read as follows:

Selling securityholders that are also registered broker-dealers who act in connection with the sale of Notes or shares of common stock hereunder are "underwriters" within the meaning of the Securities Act, and any commissions they receive and proceeds of any sale of Notes or shares of common stock may be deemed to be underwriting discounts and commissions under the Securities Act. Neither we nor any selling securityholder can presently estimate the amount of such compensation. Credit Suisse First Boston LLC, White River Securities LLC, UBS Securities LLC, Bear, Stearns & Co. Inc., KBC Financial Products USA Inc., Deutsche Bank Securities Inc., Lehman Brothers Inc. and Wachovia Capital Markets LLC have informed the Company that they are registered broker-dealers, and as a result, they are underwriters in connection with the sale of the Notes. Several of the selling securityholders are affiliates of registered broker-dealers. Each of these selling securityholders have informed the Company that: (1) such selling securityholder purchased its Notes in the ordinary course of business and (2) at the time that the Notes were purchased, the selling securityholder had no agreements or understandings, directly or indirectly, to distribute the Notes.

The section of the prospectus entitled "Selling Securityholders" on pages 46 - 51 of the prospectus is amended and restated in its entirety to read as follows:

## SELLING SECURITYHOLDERS

The Notes were originally issued to and resold by Credit Suisse First Boston LLC in transactions exempt from the registration requirements of the Securities Act to persons reasonably believed by them to be "qualified institutional buyers," as defined by Rule 144A under the Securities Act and Regulation S. The selling securityholders may from time to time offer and sell pursuant to this prospectus any or all of the Notes and the common stock into which the Notes are convertible. When we refer to the "selling securityholders" in this prospectus, we mean those persons listed in the table below, as well as their transferees, pledgees, donees or successors.

The table below sets forth the name of each selling securityholder, the principal amount of Notes at maturity that each selling securityholder may offer pursuant to this prospectus and the number of shares of common stock into which the Notes are convertible. Unless set forth below, none of the selling securityholders has had within the past three years any material relationship with us or any of our predecessors or affiliates.

We have prepared the following tables based on information given to us by the selling securityholders on or before November 12, 2003. The selling securityholders may offer, pursuant to this prospectus, all or some portion of the Notes or common stock listed below, as a result, no estimate can be given as to the amount of Notes or common stock that will be held by the selling securityholders upon consummation of any sales.

Information about the selling securityholders may change over time. Any changed information given to us by the selling securityholders will be set forth in prospectus supplements if and when necessary.
