Explanation of Responses:

1. These shares represent restricted stock units granted under the Yahoo! Inc. 1996 Directors' Stock Plan, which permits directors to elect to receive payment of directors' fees in the form of options or restricted stock units. Each restricted stock unit represents the right to receive one share of Yahoo! common stock. These units are fully vested on the grant date of 12/31/09. These units will generally be paid in an equivalent number of shares of common stock on the earlier of the date the director's service terminates and the third anniversary of the date of grant.
