SELLING SECURITYHOLDERS

The Notes were originally issued to and resold by Credit Suisse First Boston LLC in transactions exempt from the registration requirements of the Securities Act to persons reasonably believed by them to be "qualified institutional buyers," as defined by Rule 144A under the Securities Act and Regulation S. The selling securityholders may from time to time offer and sell pursuant to this prospectus any or all of the Notes and the common stock into which the Notes are convertible. - * Less than one percent (1%).
- (1) Assumes conversion of all of the holder's Notes at a conversion rate of 48.7804 shares of common stock (as adjusted for our 2-for-1 stock split effective May 12, 2004) per \$1,000 principal amount at maturity of the Notes. This conversion rate is subject to adjustment as described under "Description of the Notes—Conversion Rights." As a result, the number of shares of common stock issuable upon conversion of the Notes may increase in the future. Excludes shares of common stock that may be issued by us upon the repurchase of the Notes and fractional shares. Holders will receive a cash adjustment for any fractional share amount resulting from conversion of the Notes, as described under "Description of the Notes—Conversion Rights."
- (2) Calculated based on Rule 13d-3(d)(i) of the Exchange Act, using 1,384,873,379 shares of common stock outstanding as of January 14, 2005. In calculating this amount for each holder, we treated as outstanding the number of shares of common stock issuable upon conversion of all of that holder's Notes, but we did not assume conversion of any other holder's Notes.
- (3) Saranac Capital Management L.P. acts as discretionary investment advisor with respect to the following accounts that hold the indicated principal amounts of Notes: Citigroup Alternative Investments Diversified Arbitrage Strategies Fund (\$140,000); Citigroup Alternative Investments QIP Multi Strategy Arbitrage Portfolio (\$2,125,000); Saranac Erisa Arbitrage LTD (\$285,000); and Saranac Erisa Arbitrage LP (\$24,000).
