INFORMATION REQUIRED IN REGISTRATION STATEMENT

The undersigned registrant hereby amends the Registration Statement on Form 8-A filed by the registrant with the Securities and Exchange Commission on March 19, 2001 as set forth below.

ITEM 1. Description of Registrant's Securities to be Registered.

On March 1, 2001, the Board of Directors (the "Board") of Yahoo! Inc. (the "Company") adopted a stockholder rights plan, as set forth in the Rights Agreement, dated as of March 15, 2001 (the "Rights Agreement"), between the Company and EquiServe Trust Company, N.A., as Rights Agent, and declared a dividend distribution of one Right for each outstanding share of Company common stock, par value \$0.001 per share (the "Common Stock") to stockholders of record at the close of business on March 20, 2001 (the "Record Date"). Each Right entitles the registered holder to purchase from the Company a unit consisting of one one-thousandth of a share (a "Unit") of Series A Junior Participating Preferred Stock, par value \$0.001 per share (the "Series A Preferred Stock") at a Purchase Price of \$250 per Unit, subject to adjustment. Capitalized terms used and not defined herein have the meanings given to them in the Rights Agreement.

On April 7, 2004, the Board declared a two-for-one stock split (the "Stock Split") of the Company's Common Stock, in the form of a stock dividend of one share of Common Stock for every share of Common Stock issued and outstanding, to be payable on May 11, 2004 to the holders of record of the Common Stock at the close of business on April 26, 2004. In accordance with Section 11(p) of the Rights Agreement and in connection with the Stock Split, effective on the date of the distribution of the Stock Split, the Rights will be automatically adjusted so that each outstanding share of Common Stock (including shares issued pursuant to the Stock Split) will be accompanied by one-half of one Right (subject to future adjustment).

Also in connection with the Stock Split, if the Current Market Price per share of Preferred Stock cannot be otherwise determined in accordance with the Rights Agreement, the formula used to determine the Current Market Price per share of Preferred Stock pursuant to Section 11(d)(ii), shall be adjusted from an amount equal to 1,000 multiplied by the Current Market Price per share of the Common Stock to an amount equal to 2,000 (subject to future adjustment) multiplied by the Current Market Price per share of the Common Stock.

Also in connection with the Stock Split, the exchange ratio at which the Board may exchange the Rights pursuant to Section 24(a) of the Rights Agreement, shall be adjusted from one share of Common Stock to two shares of Common Stock (subject to future adjustment), per Right.

Initially, the Rights attached to all Common Stock certificates representing shares then outstanding, and no separate Rights Certificates have been distributed. Subject to certain exceptions specified in the Rights Agreement, the Rights will separate from the Common Stock and a Distribution Date will occur upon the earlier of (i) 10 business days following a public announcement that a person or group of affiliated or associated persons (an "Acquiring Person") has acquired beneficial ownership of 15% or more of the outstanding shares of Common Stock other than as a result of repurchases of stock by the Company, certain inadvertent actions by institutional or certain other stockholders or the beneficial ownership by a person of 15% or more of the outstanding Common Stock as of March 1, 2001, or the date a Person has entered into an agreement or arrangement with the Company or any Subsidiary of the Company providing for an Acquisition Transaction (the "Stock Acquisition Date") or (ii) 10 business days (or such later date as the Board shall determine, provided, however, that no deferral of a Distribution Date by the Board pursuant to the terms of the Rights Agreement described in this clause (ii) may be made at any time during the Special Period (as defined below)) following the commencement of a tender offer or exchange offer that would result in a person or group becoming an Acquiring Person. An Acquisition Transaction is defined as (x) a merger, consolidation or similar transaction involving the Company or any of its Subsidiaries as a result of which stockholders of the

Company will no longer own a majority of the outstanding shares of Common Stock of the Company or a publicly traded entity which controls the Company or, if appropriate, the entity into which the Company may be merged, consolidated or otherwise combined (based solely on the shares of Common Stock received or retained by such stockholders, in their capacity as stockholders of the Company, pursuant to such transaction), (y) a purchase or other acquisition of all or a substantial portion of the assets of the Company and its Subsidiaries, or (z) a purchase or other acquisition of securities representing 15% or more of the shares of Common Stock then outstanding. Until the Distribution Date, (i) the Rights will be evidenced by the Common Stock certificates and will be transferred with and only with such Common Stock certificates, (ii) new Common Stock certificates issued after the Record Date will contain a notation incorporating the Rights Agreement by reference and (iii) the surrender for transfer of any certificates for Common Stock outstanding will also constitute the transfer of the Rights associated with the Common Stock represented by such certificate.

The Rights are not exercisable until the Distribution Date and will expire at 5:00 P.M. (California time) on March 1, 2011, unless such date is extended or the Rights are earlier redeemed or exchanged by the Company as described below.

As soon as practicable after the Distribution Date, Rights Certificates will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date and, thereafter, the separate Rights Certificates alone will represent the Rights. Except as otherwise determined by the Board of Directors, only shares of Common Stock issued prior to the Distribution Date will be issued with Rights.

In the event that a Person becomes an Acquiring Person, except pursuant to an offer for all outstanding shares of Common Stock which the independent directors determine to be fair and not inadequate and to otherwise be in the best interests of the Company and its stockholders, after receiving advice from one or more investment banking firms (a "Qualified Offer"), each holder of a Right will thereafter have the right to receive, upon exercise, Common Stock (or, in certain circumstances, cash, property or other securities of the Company) having a value equal to two times the exercise price of the Right. Notwithstanding any of the foregoing, following the occurrence of the event set forth in this paragraph, all Rights that are, or (under certain circumstances specified in the Rights Agreement) were, beneficially owned by any Acquiring Person will be null and void. However, Rights are not exercisable following the occurrence of the event set forth above until such time as the Rights are no longer redeemable by the Company as set forth below.

In the event that, at any time following the Stock Acquisition Date, (i) the Company engages in a merger or other business combination transaction in which the Company is not the surviving corporation (other than with an entity which acquired the shares pursuant to a Qualified Offer), (ii) the Company engages in a merger or other business combination transaction in which the Company is the surviving corporation and the Common Stock of the Company is changed or exchanged, or (iii) 50% or more of the Company's assets, cash flow or earning power is sold or transferred, each holder of a Right (except Rights which have previously been voided as set forth above) shall thereafter have the right to receive, upon exercise, common stock of the acquiring company having a value equal to two times the exercise price of the Right.

At any time after a person becomes an Acquiring Person and prior to the acquisition by such person or group of fifty percent (50%) or more of the outstanding Common Stock, the Board may exchange the Rights (other than Rights owned by such person or group which have become void), in whole or in part, at an exchange ratio of one one-thousandth of a share of Preferred Stock (or of a share of a class or series of the Company's preferred stock having equivalent rights, preferences and privileges), per Right (subject to adjustment).

At any time until ten business days following the Stock Acquisition Date, the Company may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (payable in cash, Common

Stock or other consideration deemed appropriate by the Board of Directors). Immediately upon the action of the Board of Directors ordering redemption of the Rights, the Rights will terminate and the only right of the holders of Rights will be to receive the \$0.001 redemption price.

Notwithstanding the foregoing paragraph, for 180 days (the "Special Period") following a change in the majority of the membership of the Board of Directors that has not been approved by the Board of Directors, occurring within six months of announcement of an unsolicited third party acquisition or business combination proposal or of a third party's intent or proposal otherwise to become an Acquiring Person, the new directors are entitled to redeem the rights (assuming the rights would have otherwise been redeemable), including to facilitate an acquisition or business combination transaction involving the Company, but only (1) if they have followed certain prescribed procedures or (2) if such procedures are not followed, and if their decision regarding redemption and any acquisition or business combination is challenged as a breach of fiduciary duty of care or loyalty, the directors (solely for purposes of the effectiveness of the redemption decision) are able to establish the entire fairness of the redemption or transaction.

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends.

Any of the provisions of the Rights Agreement may be amended by the Board of Directors prior to the Distribution Date. After the Distribution Date, the provisions of the Rights Agreement may be amended by the Board in order to cure any ambiguity, to make changes which do not adversely affect the interests of holders of Rights, or to shorten or lengthen any time period under the Rights Agreement. The foregoing notwithstanding, no amendment may be made to the Rights Agreement during the Special Period or at a time when the Rights are not redeemable, except to cure any ambiguity or correct or supplement any provision contained in the Rights Agreement which may be defective or inconsistent with any other provision therein.

The foregoing description is qualified in its entirety by reference to the description of the Rights and their terms set forth in the Rights Agreement, which is incorporated herein by reference.
